- 2. As referred to herein, the "Business of the Company" shall relate to the business of the Company as the same is determined by the board of directors of the Company from time to time.
- 3. The Participant may in the course of the Participant's Engagement with the Company conceive, develop or contribute to material or information related to the Business of the Company, including, without limitation, software, technical documentation, ideas, inventions (whether or not patentable), hardware, know-how, marketing plans, designs, techniques, documentation, records, regardless of the form or media, if any, on which such is stored (referred to in this Agreement as "Proprietary Property"). The Company shall exclusively own all Proprietary Property which the Participant conceives, develops or contributes to in the course of the Participant's Engagement with the Company and all intellectual and industrial property and other rights of any kind in or relating to the Proprietary Property, including but not limited to all copyright, patent, trade secret and trade-mark rights in or relating to the Proprietary Property. Material or information conceived, developed or contributed to by the Participant outside work hours on the Company's premises or through the use of the Company's property and/or assets shall also be Proprietary Property and be governed by this Agreement if such material or information relates to the Business of the Company. The Participant shall keep full and accurate records accessible at all times to the Company relating to all Proprietary Property and shall promptly disclose and deliver to the Company all Proprietary Property.
- 4. The Participant shall, both during and after the Participant's Engagement with the Company, keep all Confidential Information and Proprietary Property confidential and shall not use any of it except for the purpose of carrying out authorized activities on behalf of the Company. The Participant may, however, disclose Confidential Information which is required to be disclosed by law, whether under an order of a court or government tribunal or other legal process, provided that Participant informs the Company of such requirement in sufficient time to allow the Company to avoid such disclosure by the Participant.
 - The Participant shall return or destroy, as directed by the Company, Confidential Information and Proprietary Property to the Company upon request by the Company at any time. The Participant shall certify, by way of affidavit or statutory declaration that all such Confidential Information and Proprietary Property has been returned or destroyed, as applicable.
- 5. The Participant covenants and agrees not to make any unauthorized use whatsoever of or to bring onto the Company's premises for the purpose of making any unauthorized use whatsoever of any trade secrets, confidential information or proprietary property of any third party, including without limitation any trademarks or copyrighted materials, during the course of the Participant's Engagement with the Company.

- 7. The Participant hereby irrevocably and unconditionally waives all moral rights the Participant may now or in the future have in any Proprietary Property.
- 8. The Participant agrees that the Participant will, if requested from time to time by the Company, execute such further reasonable agreements as to confidentiality and proprietary rights as the Company's customers or suppliers reasonably require to protect confidential information or proprietary property.
- 9. Regardless of any changes in position, salary or otherwise, including, without limitation, termination of the Participant's Engagement with the Company, unless otherwise stipulated pursuant to the terms hereof, the Participant will continue to be subject to each of the terms and conditions of this Agreement and any other(s) executed pursuant to the preceding paragraph.
- 10. The Participant agrees that the Participant's sole and exclusive remedy for any breach of this Agreement by the Company will be limited to monetary damages and that the Participant will not make any claim in respect of any rights to or interest in any Confidential Information or Proprietary Property.
- 11. The Participant acknowledges that the services provided by the Participant to the Company under this Agreement are unique. Any claims asserted by the Participant against the Company shall not constitute a defense in any injunction action, application or motion brought against the Participant by the Company.
